

## SKILLS

**Comfortable:** JavaScript, TypeScript, React.JS, Redux, Next.JS, Node.JS, NestJS, SQL, Ant Design, Tailwind CSS

**Familiar :** Unit testing (Jest), React Native, Angular.JS, Vue.js, Docker etc.

**Forgetting:** C-Sharp, ASP.NET (Web Forms), LINQ, Entity Framework, MSSQL, TFS etc.

**Tools:** NPM, Yarn, Git, Webpack, Chrome Dev Tool, VS Code, etc.

## EXPERIENCE

### •SSL Wireless (Software Specialist) - Dec 2023 To Present

*JavaScript, TypeScript, React.JS, Redux, Next.JS, NestJS, Tailwind CSS, Ant Design, Mysql*

- Developed dynamic web applications using JavaScript, leveraging ES6+ features for clean and efficient code
- Built and maintained reusable components in React.js, ensuring high performance and scalability
- Implemented global state management with Redux, optimizing data flow and application state consistency
- Created interactive data visualizations with Ant Design Chart, providing insightful and visually appealing data presentations.

### •Apsis Solutions LTD (Software Engineer) - Dec 2020 to Nov 2023

*JavaScript, TypeScript, React, Redux, Next.JS, Ant Design, NestJS and SQL*

- Develop, Built and optimized reusable components in React, ensuring high performance and maintainability
- Managed complex application state with Redux, enhancing data flow and state consistency across the application.
- Designed and customized user interfaces with Ant Design, focusing on responsive and accessible UI components.
- Created and maintained SQL databases, writing efficient queries to manage and retrieve data effectively.

### •Al-Hiyal Automation (Junior Software Engineer) - Sep 2018 to Nov 2020

*JavaScript, C-sharp, ASP.NET (Web Forms), Linq, Entity Framework, MSSQL*

- Developed robust web applications using C-Sharp and ASP.NET Web Forms, ensuring scalable and maintainable code.
- Implemented efficient data access with Entity Framework, utilizing LINQ for querying databases.
- Designed and maintained SQL databases, writing complex queries and stored procedures for data manipulation and retrieval.
